

Project Purpose

The mixed-use trail will provide bicycle and pedestrian connectivity to and through the Lenexa's City Center development.

Project Description

This trail will provide alternate access to Lenexa City Center. The trail will be ten-foot wide concrete and will connect the trail along Renner Boulevard to 87th Street Parkway, along with providing internal access to sidewalks and trails within the development.

Location

Renner Boulevard and 90th Street northwesterly to 87th Street Parkway and Winchester Street

Designer

GBA

Contractor

To be determined.
